Please find below and/or attached an Office communication concerning this application or proceeding.

Applicant's reply to the Office Action of August 31, 2004 was received in the U.S. Patent and Trademark Office on November 30, 2004, which is after the expiration of the period for reply set for a restriction requirement which is THIRTY DAYS, though the office action summary for the restriction requirement erroneously states 3 MONTHS. The application will become abandoned unless applicant obtains an extension of the period for reply set in the above noted Office action. The applicant's time period to response began from August 31, 2004 and any response received herein until extension of time fee has been received.

An extension of the reply period may be obtained by filing a petition under 37 CFR 1.136(a). The petition must be accompanied by the appropriate fee as set forth in 37 CFR 1.17 (copy of current fee schedule attached). The date on which the reply, the petition, and the fee have been filed is the date of the reply and also the date for purposes of determining the period of extension and the corresponding amount of the fee due. The expiration of the time period is determined by the amount of the fee paid.

Applicant is advised that in no case can any extension carry the date for reply to an Office action beyond the maximum period of SIX MONTHS set by statute. Additionally, extensions may not be granted under 37 CFR 1.136(a) for more than FIVE MONTHS beyond the time period set in an Office action.

UNITED STATES PATENT AND TRADEMARK OFFICE
FY 2005 FEE SCHEDULE
Effective December 8, 2004

The President has signed the Consolidated Appropriations Act, 2005 (Consolidated Appropriations Act), for the remainder of Fiscal Year 2005 (H.R. 4818). The Consolidated Appropriations Act also revises patent fees during the remainder of fiscal year 2005 and during fiscal year 2006. Specifically, for the remainder of fiscal year 2005 and for fiscal year 2006, the Consolidated Appropriations Act revises patent fees, including maintenance fees, and provides for a separate patent filing fee, search fee, and examination fee, and requires an additional fee for any patent application whose specification and drawings exceed 100 sheets of paper (application size fee). The new fees are set forth in the below fee schedule.

Applicability: Effective immediately, the application filing fee (or national fee), search fee, examination fee and application size fee apply to national patent applications filed on or after December 8, 2004, and to international applications in which the basic national fee is paid on or after December 8, 2004. The remaining patent fee changes, including the excess claims fees, extension of time fees, maintenance fees, and appeal fees, apply to any fee payment made on or after December 8, 2004, regardless of the filing date of the application, or the issue date of the patent for which the fee is submitted.

The new basic filing fee (or national fee), search fee, examination fee, and application size fee will apply to national patent applications filed on or after the date of enactment of the Consolidated Appropriations Act and to international patent applications in which the basic national fee is paid on or after the date of enactment. The filing fee (or national fee), search fee, and examination fee are due on filing.

Partial payment of filing fees: If the full basic filing fee or full basic national fee in effect on December 7, 2004 is paid on or after December 8, 2004, but the fees for the filing fee (or national fee), search fee, and examination fee in effect on December 8, 2004 are not paid in full, the outstanding fees due must be paid within a time period set by the Office, but no surcharge will be required until further notice.

Any fee amount paid on or after December 8, 2004, must be paid as shown in the revised fee schedule, which reflects when the old filing fees still apply.

The fees subject to reduction for small entities that have established status (37 CFR 1.27) are shown in a separate column. For additional information, please contact the USPTO Contact Center at (703) 308-4357 or (800) 786-9199. Payments from foreign countries must be payable and immediately negotiable in the United States for the full amount of the fee required.
